## **AND TO ENHANCE THE JUNE CELEBRATION.....**

For our end-of-year gathering, we are asking members to share photos of their-gardens and a few words about their “why.” Why do *you* garden?

Not looking for professional photos but those that show your love and efforts in your garden. If you would rather not share your thoughts, your photos will still be welcome. Please consider sharing your pictures.

Please send to Jan Ford at *ford.jd@gmail.com*, by June 10<sup>th</sup>.  
Thank you !

## **PLANT SALE SUCCESS!**

Thank you to everyone for planting, planning, sorting, pricing, lots of schlepping to make today’s Plant Sale happen....after an unanticipated 3-yr. hiatus: The sale grossed \$6,600, and after all expenses, it looks like the Club will net ~ \$5,500.

Special thanks go to

- The hard-working Plant Sale Committee
- Everyone who grew, donated, baked, stored, sorted, priced, schlepped, worked at the sale, bought, schlepped some more ...and still cleaned up beautifully
- JB Maxwell for his marketing analytics expertise
- The Club’s “auxiliary” spouses, partners and other family members, whose contributions were invaluable
- Treasurer Kathy Creedon who enabled us to join the cashless 21<sup>st</sup> Century, with credit card sales bringing in more than \$1,900.
- And finally to our 250+ buyers from far and wide, so many of whom said they were very happy to see us back.
